

ALERT: WHITE POWER ORGANIZER IN YOUR NEIGHBORHOOD

Meet Jared Alexander Huggins, your neighbor at 1804 Hartford Run in Buford. Huggins is a racist organizer who has been active since 2016 with "Identity Evropa," a white nationalist group recently renamed as the "American Identity Movement".

Some facts about Jared Huggins:

- On Twitter, Huggins uses the account @FashyScience, where "Fashy" is short for "Fascist". There, he attacks people of color, Jewish people, Muslims, immigrants, sexual minorities, and other marginalized groups.
- After a white supremacist gunman murdered fifty people at mosques in Christchurch, New Zealand, Huggins circulated a message that people should extend their love and support not to the victims' families but to "the white community of Christchurch".
- In 2017, Jared Huggins traveled to Charlottesville, Virginia to participate in the "Unite the Right" demonstration. This event led to racist attacks and murder when a white supremacist drove his car into a crowd of counter-protesters. After Unite the Right, Huggins gave his thoughts: "This weekend was fucking metal". Later that month, Huggins joked about the vehicular murder online in a comment to "Alt-Right" leader Richard Spencer.
- According to LinkedIn, Huggins is employed by the Hartford Trust, which Fulton County records link to Sam Dickson, a longtime white power leader who represented Klan members as a lawyer.
- Huggins travels widely to participate in the activities of Identity Evropa / the American Identity Movement. For example, Huggins was pictured at a Utah rally held by the organization this February.

Behind the scenes footage of "Unite the right" white nationalist rally in Charlottesville VA Part 13

Since Huggins has participated in white power rallies throughout the US and has joked about racist violence and murder, he may be a threat to those around him. See our website for further documentation on Huggins. Warn your friends and neighbors. Please contact us if you have more information about Huggins' white nationalist activity.
