

# WARNING: VIOLENT NEO-NAZI IN YOUR AREA

Your neighbor, **Chester J. Doles** at **647 Winters Mountain Road** in Dahlonega, is a self-described “fourth-generation Klansman” and longtime neo-Nazi leader with a history of violence. He is organizing from your neighborhood against people of color, Jewish people, and others he views as enemies.

- While a Klan organizer in Maryland, Doles and another KKK member viciously assaulted a Black man who was riding in a truck with a white woman.
- After being released from prison and then accepting a plea for burglary, Doles moved to Georgia, where he became the state leader of the National Alliance. The National Alliance was once the foremost neo-Nazi organization in North America. In 2003, Doles was arrested on federal weapons charges, for which he served another prison sentence.

- While active in the National Alliance, Doles was in contact with the organization’s leader, William Pierce, and even hosted Pierce in Georgia. William Pierce is the author of a race war fantasy that inspired the Oklahoma City bombing. Chester Doles named a son, Pierce, after this notorious neo-Nazi leader.
- More recently, Doles has been involved in “Crew 38”, which is the supporter crew for the Hammerskin Nation white power gang. The Hammerskins have a reputation for violence. In 2012, a Hammerskin member murdered six people at a Sikh temple in Wisconsin. One Hammerskin supporter who has been pictured with Doles is now facing hate crime charges for a 2018 racist attack in Washington State. Chester Doles gave a speech at the Hammerskin Nation’s 2016 national gathering in Georgia.
- Doles is currently organizing a rally in downtown Dahlonega on September 14. The rally is an attempt to intimidate local residents who disagree with Doles’ worldview. Doles’ rally is being heavily promoted by ShieldWall Network, a white supremacist group best known for invading a Holocaust memorial event with Nazi flags.

See our website for more information on Doles. Warn your friends and neighbors. Please get in contact if you have further information on Doles or his associates.
