

# **ALERT: WHITE POWER ORGANIZER IN YOUR NEIGHBORHOOD**

## **Jared Huggins at 1553 McCallie Boulevard NW in Carver Hills**

### **Member of White Nationalist Sam Dickson's Network**

Meet **Jared Alexander Huggins**, your neighbor at **1553 McCallie Boulevard NW in Carver Hills**. Huggins is listed as a co-owner of the property.

Huggins is a close associate of Sam Dickson, a notorious racist leader who represented Klansmen as a lawyer. Huggins currently works closely with Dickson on the Atlanta property market, alongside a broader network of white nationalists around Dickson.

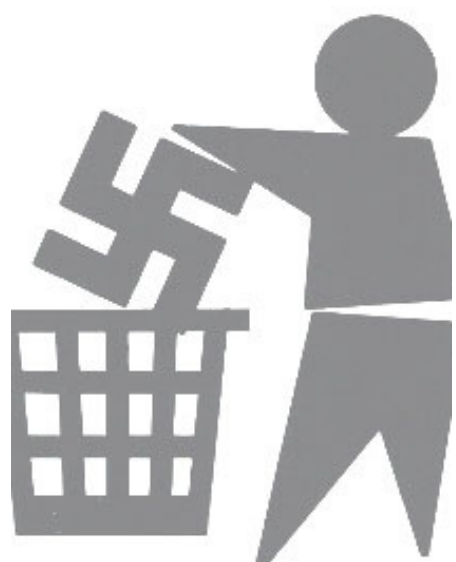

Huggins attended the bloody “Unite the Right” mobilization in Charlottesville, Virginia, 2017. When a white supremacist murdered an anti-racist counter-protester and wounded dozens of others in a vehicular attack, Huggins joked about the murder.

After a white supremacist gunman murdered fifty people at mosques in Christchurch, New Zealand, Huggins stated that people should support not the victims' families but “the white community of Christchurch”.

As a longstanding white nationalist who mocks the victims of white supremacist terror, we believe Huggins is a threat to people of color, Jewish people, Muslims, LGBTQ individuals, and other marginalized communities. See our website for full documentation on Huggins. Warn your friends and neighbors. Please reach out to us if you have more information on Huggins or his associates.
